Work in FL

We are partnering with Live Oak CC in Live Oak, FL. A volunteer group from Ekklesia CC in Conway, SC came down to help clean up debris from Helene's aftermath. We have several more churches and groups scheduled to come in the coming weeks.

Work in Eastern TN

Members from our US Disaster Response team went to Eastern TN and Western NC to assess the needs of the area and connect with partner churches. We will be staging an on-the-ground response in Elizabethton, TN with First CC to help that region. Work will begin on Monday, October 7th.

100% of your donation will go straight to the field to bring help and hope.

Wondering if you are qualified to volunteer on site? You are!

Regardless of skill, we need all types of people to come and share Christ's love.
