

CRAM PHILIPPINES VBS 2024: "SCUBA" - A JOURNEY INTO FRIENDSHIP WITH GOD

Celebrating a Decade of Transformation

This year marked a significant milestone for CRAM Philippines as they celebrated a decade of transformative Vacation Bible School (VBS) programs. These programs are dedicated to spreading the Gospel among children in the slum areas of Bacoor and other affiliated churches in Cavite. The reach of the program also extended to the hearts of children in Mindanao. Themed "SCUBA: Diving into Friendship with God," this year's VBS aimed to deepen the children's relationship with God.

Reach | Rescue | Restore

Equipping the Leaders: Teachers' Seminar

From June 3 to 5, a comprehensive teachers' seminar equipped Bible teachers to effectively lead and teach children about winning souls for Christ. Through workshops, crafts, and material preparation, the seminar ignited a passion among young leaders to minister to children, fostering a sense of purpose and dedication.

A Deep Dive into Spiritual Friendship

The SCUBA theme reminded everyone involved of the beauty of a deep relationship with God, assuring us of His constant companionship and guidance. This year's VBS was not just about teaching children; it was about nurturing a lasting, profound friendship with God.

A Week of Transformative VBS Sessions

A total of 1,927 children heard the Gospel

From June 10 to June 15, each day saw a different church welcoming eager children:

- June 10: Faith Christian Church - 193
- June 11: Hope and Grace Christian Church - 523
- June 12: Torch Christian Church - 396
- June 14: Naic Union Christian Church - 457
- June 15: Love Christian Church - 358

The SCUBA theme guided the week's activities, inviting children to explore and deepen their spiritual lives. Each day was filled with joy, learning, and the warmth of God's love.

Expanding God's Work to Mindanao

Beyond Cavite, God's work extended to Mindanao, where over 500 kids from 90 churches, including remote mountain and village areas, participated. For three years, CRAM Philippines has been serving in Mindanao, continuously growing and reaching more souls for Christ through seminars, camps, and VBS.

A Testament to Dedication and Support

The success of VBS 2024 is a testament to the dedication of the CRAM Philippines team. The tireless efforts of the missionaries, the Kim family, local ministers, Bible teachers, and mother leaders in preparing food, materials, and teachings for the kids were invaluable. The unwavering support and prayers from sponsors and the community were equally vital.

If you would like to donate for future VBS and summer camps, please go to our website: <https://cramworldwide.org/donate/> and scroll down until you see "Philippines VBS/Camp". Or you can mail a check to 1291 Airport Parkway, Greenwood, IN 46143. Please be sure to note what your gift is for.
