Thailand

DR

Fall is a rainy season in Southeast Asia and it has caused havoc for many. We have come alongside our partners in Thailand to help provide food, jackets, blankets, and other resources. Please pray for this country and the surrounding areas recovering from the destructive flood waters.

GAP Packs

We have GAP food packs this month in KS, IN, MO, & MI. Please pray for Ryan and Jody as they lead these packs. Pray for safe travels and that God will bless the people who receive the food.

Myanmar

DR

Rains from Typhoon Yagi have washed away entire villages in the surrounding areas of Southeast Asia. The death toll is over 1,000 people. We have helped provide resources to bring relief to those affected, through our partners. Pray for physical and spiritual needs of those who have lost much.

Florida

DR

In response to Hurricane Helene, we have partnered with Live Oak Christian Church in Live Oak, FL. We are helping with clean up in the community. Pray for comfort as those affected recover.

Malawi

DV

Together with our partners, we are helping with a hospital in a rural area of Malawi. The hospital is desperately needed for people in this community as many have to walk over 4 hours to receive care. IDES is helping with some finishing touches on the hospital so that it can be opened soon, as well as a pediatric building in the future.

Tennessee

DR

We have partnered with First Christian Church in Elizabethton, TN in response to the damage left behind from Hurricane Helene. Pray for the volunteers helping and for those who have lost much, that they would be comforted.
