Dear Pine Lake Christian Church,

For the past 51 years, IDES has responded to physical and spiritual needs by providing life-saving aid and long-term support to communities in need in the US and across the globe. With your partnership, we have been able to make significant strides toward providing emergency relief in the US and abroad while building sustainable futures for some of the most vulnerable populations around the world. Our Global Impact Fund helps us meet these vital needs.

But today, we are facing a critical challenge. The need for Help and Hope has never been greater. Conflict, war, and natural disasters are devastating entire communities, leaving millions of children, women, and families at risk of hunger, displacement, and disease. The scale of this crisis is overwhelming, yet there is hope. Through your support and generosity, we can change lives.

In the past year alone, IDES has delivered emergency food, water, shelter, and medical care to over 300,000 people in 39 countries. We've worked tirelessly responding to hurricanes Helene and Milton and we will continue rebuilding for months or years to come. We have distributed over 2 million meals to the hungry, rebuilt hundreds of homes for displaced families, and helped communities rebuild after conflicts. We have witnessed firsthand the resilience of those we serve and how God has worked in times of suffering. It is thanks to supporters like you that this vital work is possible.

Our Global Impact Fund allows us to respond immediately to needs in the US and around the world. It is our most important fund because it serves as an emergency fund for urgent, timely response efforts. The Global Impact Fund ensures we do not have to wait for funding to arrive before providing crucial aid in a disaster. Rather, our focus can be on helping those who are hurting and responding to immediate needs after natural or man-made disasters. This means IDES can quickly and efficiently provide clean water where there was none, food for starving families, medical care for the hurting, homes for those who have lost everything, and the Gospel to be shared with those who have not heard.

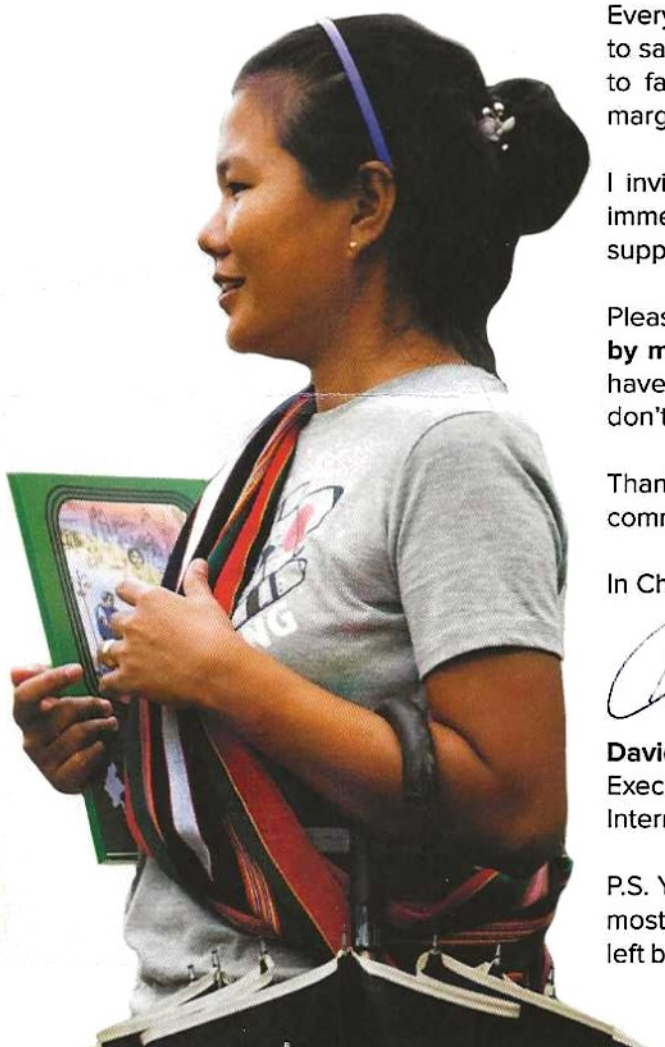

The needs around the world continue to grow. Families are still in dire need of food and safe water, essential medical care is lacking in many places, and millions of people in the US and globally are facing loss from floods, tornados, fires, hurricanes, and war. We are committed to expanding our reach and impact, but we cannot do it alone.

Today, we are asking for your help. A gift from you will directly fund Global Impact through our ongoing disaster response efforts and long-term development programs. **With your donation, we can:**

- Provide life-saving food and water to families in crisis.
- Deliver medical supplies to clinics in remote areas with limited resources.
- Offer farm, livestock, and vocational training for sustainable living.
- Meet spiritual needs through disciple-making and church-planting efforts.
- Respond immediately to major disasters across the globe.

Every dollar you contribute will go 100% to our Global Impact Fund, helping to save lives and create lasting change. Your generosity can provide hope to families who have lost everything, help restore dignity to the most marginalized communities, and open the door to the Gospel being shared.

I invite you to join us in this vital mission. Together, we can ensure an immediate and powerful response to global crises as they arise. Your support, no matter the size, makes a powerful difference.

Please consider making a gift today by visiting www.ides.org/donate, or by mailing a check to 355 Park 32 W Dr. Noblesville, IN 46062. If you have any questions or would like to discuss ways to get involved, please don't hesitate to contact us at 317-773-4111 or ides@ides.org.

Thank you for your compassion and for standing with us in our shared commitment of sharing Help and Hope to a Hurting world.

In Christ,

David Stine
Executive Director
International Disaster Emergency Service

P.S. Your gift today can help provide life-saving relief to those who need it most. Please consider making your donation now to ensure that no one is left behind in these global needs. Thank you for being a part of the solution.
