

Hope After Loss

This month's Book Club selection is called *Hope After Loss* in Bosnian, a book that ministers to those dealing with the pain of miscarriage. This is the second time that we've partnered with the group Glas Za Život ("Voice for Life"), a Christian ministry in Bosnia and Herzegovina (a majority Muslim country in SE Europe). They reach out to those facing unplanned or crisis pregnancies and those who are grieving after abortions or miscarriages.

When writing about the need for this book, they write:

In Bosnia and Herzegovina, the topic of miscarriage is taboo and not discussed, leaving the women, men, and families who face these losses unable to cope. *Hope After Loss* will help us minister to those grieving these losses and show them that we care for life in all its forms.

Thank you for your gifts this month, which will provide these books to this ministry as they extend Christ's compassion to those who need to understand His Grace and Truth.
