

The Faith Once For All

February's Book Club selection is *The Faith Once for All*, translated into Tamil. Three years ago, the South India Church of Christ Mission began creating what they named an "Elder's Library," a collection of eight books that the elders and preachers of Malayalam and Tamil-speaking churches would have for both their own discipleship and to assist them as they lead individual congregations. Seven books in each language have been completed and they are nearing the completion of this final book. This well-loved and large book, written by Jack Cottrell, carefully examines the Bible's teaching on every significant topic of teaching. It will be a helpful guide to South Indian church leaders for many years to come.

Over the past 24 years, 91 Christian books have been published in Tamil through various ministry partners. Thank you, Book Club donors, for your gifts this month which will make this new book possible. Please pray that this new book will build up the Indian church as they "Contend for the faith that was once for all delivered to the saints" (Jude 3).
