The Way Station

WINTER 2024

35 years strong

A testament to our enduring mission, The Way Station relies on a dedicated team of staff and volunteers who share our passion for helping families and individuals in need. Their unwavering commitment has allowed us to grow and serve our community for 35 years and counting. In our 35th year we have added new staff, new programming and increased our impact even more. Thank you to each and everyone of you who continue to support and assist us in this ministry.

Noble Brotherhood

Girls have GLOW. Now, boys have Noble Brotherhood — the male equivalent of the highly successful Way Station female mentorship program. Like GLOW, the Noble Brotherhood is free and open to the public. It is geared toward building boys' self-esteem, self-expression and self-reliance. Winter break session will be December 27, 30 & 31st, 9:30-2:30. Participants must be in grades 5-12th and can register at thewaystationinc.org.

Food Pantry Box Truck

We are excited to share that we have been able to purchase a box truck for our two food pantries. The cost of food has significantly increased along with the fees for delivery. In the past, delivery costs were \$20 per location, per month, now they are closer to \$500 each per month! Thank you to our generous truck sponsors; Columbiana Community Foundation, Farmers Trust, Walmart, Holloway & Westfield Insurance and the East Liverpool City Hospital.
