Dear Pine Lake Christian Church,

I am thankful every time your name comes up regarding your continued partnership with LATM. You have been a part of publishing projects in many different languages, and the resulting books are at work taking the gospel and making disciples in places you and I will never go. **Thank YOU** for your faithfulness to the Lord in partnering financially with LATM.

Our newest partners are Ukrainian, and they are working to translate the Bible into multiple Roma (sometimes called "Gypsy") dialects. To lay the groundwork for the reception of the Bible, they partnered with LATM to print a story and coloring book telling of God's power and love in **five different** Roma dialects. Here are the names of those dialects: Crimean Romani, Servitka Romani, Transcarpathian Romani, Vlach Romani, and Lovari Romani. They had 3,000 copies printed and distributed them at Christmastime. What a fantastic opportunity to get Christ's good news into the lives of these often neglected people so dearly loved by God.

Though we may not see all the results until Heaven, we trust that God is at work through these books. We thank the Lord for you and say "Thank You" to **YOU** for your consistent witness and faithful actions.

Let's keep bringing the books,

Karl Halverson
