## 2025

### Honduras

DR

Tropical Storm Sara hit in November 2024 during an already rainy season for the region. Flooding has devastated communities as homes and supplies have been destroyed by flood waters. IDES has helped with food and other supplies. Pray their needs are met and that restoration will begin.

### North Carolina

DR

IDES is continuing in the rebuild phase of our response in Appalachia. Pray for our volunteers and staff as they help on the ground with people who are still recovering from Hurricane Helene.

### Ukraine

DV

As the war in Ukraine continues to cause many issues for Ukrainians, the church is being a light in dark moments. IDES continues to help ministers of local congregations by providing supplies and materials. Please pray for peace and strength for these ministers and congregants.

### California

DR

Wildfires in the Greater LA region have devastated thousands. IDES partnered with a local church in January to provide immediate supplies. Pray for God's direction as IDES seeks more ways to help.

### Uganda

DR

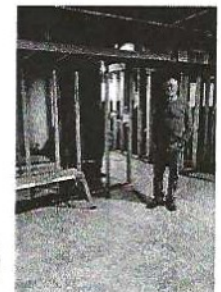

Landslides have affected communities in Uganda and have made daily needs a struggle for locals. IDES was able to provide emergency food relief for victims of the landslides. Pray that the Christians in this mostly Muslim area would be bold for Christ as they show love to their neighbors during this time.

### Tennessee

DR

Our disaster coordinators and volunteers have been working hard in the Appalachia region. Pray that their work to help others rebuild will go smoothly and that God will be glorified in all that they do.
