Thank you so much for helping to provide new school clothing for the children to wear to school this year! It means so much to them to have something new to wear to replace their worn and outgrown clothes. If we should have any extra amount left over from your help with the children's school clothes, we will absolutely use it toward the many other needs of the children here at Alpha.

If you **DO NOT** wish to receive a receipt or acknowledgement for your "\$1 Campaign" gift, please check  this box and include this with your gift, or write NRN on your envelope!

Please know that we do so appreciate your help for the kids!!

If you know of a child in need, infancy to age 18, call 1-785-597-5235.
