Ministry Friends,

I hope this letter finds you well. I want to share an incredible opportunity to make a difference in the lives of the **Clark County Juvenile Detention Center** inmates. They have contacted us expressing their urgent need for a baptistry.

As you may know, baptistries are crucial in prison ministry, allowing inmates to experience spiritual transformation through baptism. The **Clark County Juvenile Detention Center**, located in Springfield, OH., which houses 20 prisoners, desperately needs a Collapsible Portable Baptistry. However, the funds required to purchase one are beyond the reach of their prison congregation.

This is why we are reaching out to you. You can help place another baptistry in a prison through your generous support. Already, 1,980 baptistries are being used in correctional centers throughout the United States, allowing an estimated 67,000 prisoners to be baptized annually.

Now, you can sponsor this baptistry for **Clark County Juvenile Detention Center**. The sponsorship cost is **\$1275**.

Ministry Friends, I want to personally invite you to sponsor this baptistry and make a difference. Your contribution, no matter the size, will profoundly impact the lives of inmates and their journey toward redemption.

You can make your donation directly on the ARM website at www.ARM.org/donate. Click on the 'baptistries' tab and follow the instructions. Alternatively, you can mail a check or money order to ARM using the address provided at the bottom of this letter.

Ministry Friends, thank you in advance for your partnership and for considering this opportunity to bring hope and transformation to inmates at **Clark County Juvenile Detention Center**. Together, we can make a lasting impact on their lives.

Your fellow prisoner in the Lord (Eph. 4:1),
