

Dear Faithful Friend of Heartbeat,

Your support of Heartbeat of Columbiana County is a true blessing. Thanks to you, our doors remain open and women in our community receive the care and compassion they need.

Today, we're reaching out with a special request.

We have an urgent need for practical, hands-on help to expand our impact. If you or someone you know has skills in any of these areas, we'd love to connect:

- **Office Manager / Bookkeeper**
- **Registered Nurse (RN)**
- **Registered Diagnostic Medical Sonographer (RDMS)**
- **Marketing & Communications**

There is room on our team in the following areas also:

- Parent Coaches
- Housekeepers
- Baby Boutique Helpers
- Landscaping Caretakers
- Freedom in Surrender Facilitators
- Family Advocates
- Event Planners
- Helpline Attendants
- Light Building Maintenance Crew
- Onsite Prayer Warriors

To explore how your gifts can serve our shared mission, please contact our Executive Director, Teresa Rufener, at 330-386-3999 or heartbeatofcolumbiana@gmail.com.

Thank you for considering this invitation to deepen your involvement. Every hour you give helps us walk alongside women in need and share hope in tangible ways.

Together for Life,
Teresa Rufener
Executive Director
