Pine Lake Christian Church  
Missions Committee  
636 Pine Lake Rd  
Sebring, OH 44672-1562

Dear Friends at Pine Lake,

Recently, I had the privilege of visiting Central Christian Church in Huntingburg, Indiana during their Missions and Service Fair weekend. What encouragement! Their warmth, hospitality, and deep commitment to prayer and missions demonstrated how God is stirring His people—both near and far—for the sake of His Kingdom.

I was deeply moved while standing in their dedicated prayer room. This sacred space had been inspired by the Boiler Room Experience, hosted by TCM at ICOM last fall. That Sunday, the sermon and their prayers focused on persecuted believers around the world, including some of the very places where TCM students and graduates are serving. These prayers matter. Your prayers matter. We praise God for your prayers and financial support of this ministry. And your support is making a real impact!

Last month, 17 students in Kenya graduated with TCM Master of Arts degrees in Practical Theology. Men and women from across Kenya —pastors, church planters, teachers, and ministry leaders – are now equipped to lead with wisdom, courage, and Christ-like character.

One graduate, Danis, shared how he had served in ministry for 10 years without any training. He had prayed for this needed training for many years and when he learned that TCM would be offering courses in Kenya, he called it a “God-designed encounter.” Through TCM, Danis not only gained practical theological training, but he also learned to counsel families in his church with skill and confidence. Danis said he learned, “ministry is not just about doing, but being, and Christ-like character must anchor labor in the work of ministry.”

Your giving makes this possible.

Will you consider a special gift today to help make this training possible for others like Danis? Because of your generosity, the mission of *Engaging Every Nation* is advancing—equipping prayerful, faithful disciple makers right where they are – so they can bring the Gospel to where God has called them. Your support is not just a gift; it's an eternal investment in God's Kingdom.

Thank you for being a vital part of this global story. Together, with God's blessing, we are advancing His Kingdom—one life, one church, one nation at a time.

With gratitude and blessing,

Ken Flora  
Vice President of Ministry Services
