Donate an item to our Silent Auction...

This year, we're tipping our hats to **25 years of ministry** at First Glance.

On **Saturday, November 15**, we'll celebrate at our **14th Annual Auction and 25-Year Celebration**. One meaningful way to be part of the night is by donating an item to our Silent Auction. Every gift directly supports programming that **connects students to Christ, community, and the church**, giving them a safe place to belong, grow, and discover their worth.
