Your Church Partner Update

connecting students to Christ and The Church

Hey First Glance Family,

Happy October! The air is getting crisp, the leaves are turning, and our programs are in full swing. This season always reminds us of how faithful God has been—**bringing new faces through our doors**, strengthening existing relationships, and allowing us to keep creating spaces where students feel seen, valued, and loved.

This month, we’re gearing up for one of our biggest outreach events of the year—our Annual Halloween Party! **Each October, hundreds of students from the community show up to enjoy games, food, and connection in a safe, fun environment.** It’s a beautiful opportunity to introduce new students to the heart of First Glance and, ultimately, to Christ. Please be praying that this event would be filled with joy, safety, and meaningful conversations that lead to lasting relationships.

Our Student Leaders Program has officially restarted for the fall!

The mission of this program aligns closely with the overall mission of First Glanceâ€”to connect students and their communities to Christ and the Church through real, loving, non-threatening avenues. However, Student Leaders goes one step further by intentionally recognizing, selecting, and developing students with unique gifts, heart postures, and attitudes.

Our goal is simple yet transformative: to disciple connected students and teach them how to effectively lead and serve Christ and His Church. Already, weâ€™re seeing students step up with boldness and humilityâ€”taking ownership of their faith and learning what it means to be servant leaders in their schools, families, and neighborhoods. Please keep this growing group in your prayers as they continue to learn, serve, and lead.

Volunteer Spotlight: Dan

This month, we're excited to highlight Dan, one of our faithful volunteers who has gone above and beyond in using his graphic design skills to serve. Dan recently created new handouts and visual materials for Rec Night that help communicate our mission with clarity and creativity. His willingness to serve behind the scenes is a great reminder that ministry happens in many forms and every gift matters. Thank you, Dan, for using your talents to help reach students and families!
