## The 2025 President's Report

There has never been a better time to be Great Lakes Christian College.

Â

The Center for Academic Faithfulness and Flourishing (CAFF) recently reported that more families are looking for colleges that offer a safe environment for learning, mutual respect, academic rigor, and a supportive community, all undergirded by faith in Christ. Colleges like that are poised to attract families who in the past would have opted for the local elite private college but have [since] been repelled by the recent direction of the secular academy.

Â

In my [2025 President's Report](#) I detail how GLCC fulfilled our mission during the 2024-2025 academic year. Enrollment grew. Donations to the College increased. We finished the year with a third consecutive budget surplus. Most importantly, 26 new graduates were commissioned to impact the world as servant leaders. These graduates join alumni who are expanding the Kingdom of God on every inhabited continent of the globe.

Â

I believe we are on the cusp of revival in America and that GLCC's best days are just ahead. As more people find out about the distinctive education Great Lakes offers, our Kingdom impact will expand, and the College will grow.

Â

According to the CAFF report, the three most important factors Christian families look for in a college are Christian Character, Academic Excellence and Affordable Price. Those three ingredients are central to GLCC.

Â

Christian Character? According to Baylor University researcher Peter Glanzer, GLCC is the fourth most Christian college in the United States.

Â

Academic Excellence? Our full-time faculty have all either earned their doctorate degrees or are in the process of completing them. Our Faculty includes one of the world's foremost experts on C.S. Lewis. Our Vice President of Academic Affairs has written or contributed to over a dozen books.

Â

Affordable Price? Great Lakes is one of the least expensive private colleges in the Midwest, and 100% of our students receive financial aid, driving their cost of education even lower.

Â

Now is our time. Great Lakes is poised to become the college of choice for parents and students who want a great education that strengthens students' faith.

### International Conference on Missions

GLCC will be at ICOM 2025 in Atlanta, GA on November 20-22. If you'll be there, stop by booth #332 and visit with President Weller, staff, and students.Â

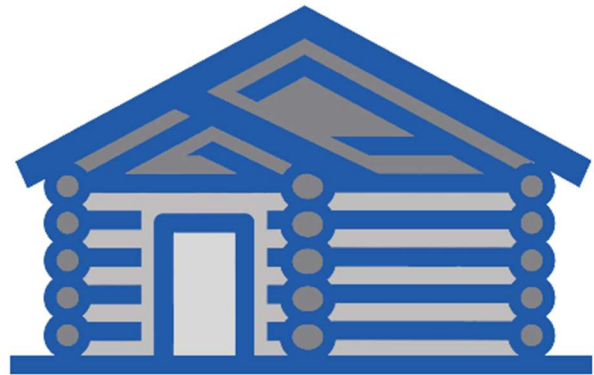

**It's not too late to attend ICOM!**

**I want to be a  
Log Cabin Society Member**

The Log Cabin Society is made up of supporters of the College who commit to a 5 year pledge of at least \$1,000 per year (around \$84 per month).

Log Cabin Society members are the foundation for our annual fund and we are so incredibly grateful for their faithful generosity.
