He Has Given Me A Book

Dear Friends and Colleagues,

We've been producing and broadcasting Gospel programs in the Urdu language for over 50 years. Currently, in addition to those who listen to our daily medium-wave programs, thousands tune into our streaming stations from over 130 countries. While the broadcasts reach people in areas we cannot personally go, in-person outreach also plays a big part in what we do.

In last month's 'Snippet' I mentioned that Saleem manned a booth for us at a large convention in Pakistan. To give you a feel for what happens at one of these events, I thought I'd share a few pictures.

Here, Saleem is handing out brochures highlighting our programs and website.

He also showcased the resources which are available on our website.

People also had the opportunity to listen to the programs.

The books on the table are just a few of those we've published.

We give the books free of charge to anyone who can use them.

Saleem has also represented us at several other venues and churches this year. The programs and books have been well received wherever he's gone.

Thank you for helping us to touch lives. Many are hearing the Gospel because of you.

Speaking of conventions, Fawn and I will be representing Key Communications at the International Convention on Missions (ICOM), November 20-22 in Atlanta, Georgia. If you stop by booth No. 1037 we'd love to talk with you.

Yours in the Name of Him who gave us the words of Eternal Life,

Jonathan Turner
