Christmas is coming!

I know most people are not ready to think about Christmas yet, but at AICM this is the time we are starting to prepare for our annual Christmas Celebration with our students and staff. Each year we put together a day of events revolving around celebrating the birth of our Lord and Savior Jesus Christ. We have a meal with all the students' families and other guests along with the unwrapping of gifts that through your generosity have been provided for our students. If you would like to help us, you can donate to our Christmas fund or send Walmart and Amazon gift cards. Our goal is to use this event to present the gospel of hope only found in Jesus. Please pray that this Christmas season many will come to know Jesus for themselves. Thank you for supporting the work God is doing through AICM.
