

THY WILL MINISTRIES

FALL NEWSLETTER 2025

His Creation

As we reflect on this year and all the events that have occurred, we are in awe of God's goodness. We could fill pages with ways God has showered His goodness on us. Hopefully, with several pictures and a few words, you may get a glimpse of what 2025 has brought our way.

Fall and Thanksgiving are our favorite times of year. The colors of the season always warm our hearts.

The beauty of His creation in this area, even in our own backyard, brightens our day.

Pete and I LOVE kids! Thank you for allowing us to provide kids with a safe place to be loved and learn about the love of God. Whether you came to visit this year, provided financial support in some way, prayed for this ministry and the church, or sent encouragement via card, email, text, or phone call, THANK YOU! We are forever grateful! Together, we make a powerful team because we serve a POWERFUL GOD!

God's very best to you all,
Pete and Kim
