

Africa Mission Trip to Better Serve Blind Community

Our upcoming mission trip to Liberia, Africa is set for April 11-26, 2026 to better serve the blind community. Preparations are underway, with supplies like Brailers, canes, and braille paper already being shipped. Our liaison in Liberia, Africa, Gertrude, continues her impactful work, meeting both spiritual and physical needs in Liberia. Our team includes Devin Otte, Steve Hoyt, Michael Smith,

Thomas Bleemel, and potentially one more member. To make this trip possible, we need to raise \$11,100 for travel and lodging, plus \$1,050 for local transportation to villages, schools, and outreach programs. Your support will help us share God's Word and transform lives in Liberia's blind community. Donate by check or scan the QR code (page 2) for PayPal contributions.

We Would See Jesus and the \$10 Paper Mill Program

In 2026, we aim to resume printing *We Would See Jesus*, our largest braille magazine mailing. Producing this in-house requires a steady supply of costly braille paper. Our "\$10 Paper Mill" program invites supporters to contribute just \$10, 2-4 times a year, to keep this ministry thriving. Your small gift will help us share God's Word through braille. To join, contact us using the details below.

Digitizing Our Library

We're launching an initiative to digitize our entire braille library for use with refreshable braille devices and on-demand printing. This will allow patrons to keep books instead of returning them. We need volunteer braille readers to read books aloud, record them, and send recordings back to ICBM for transcription. This long-term project will advance our braille ministry. Interested? Contact us to volunteer.

Visiting Your Church

We'd love to connect with your congregation! If you're interested in having ICBM visit your church to share our mission and fellowship together, please reach out by phone or email. Your support helps us expand our outreach to the blind community with God's love. Thank you for welcoming us!

Readers Needed

Are you a clear, expressive reader eager to support ICBM's mission? We're seeking volunteers to record Christian materials, such as Sunday School lessons, daily devotionals,

Christian Standard/Lookout magazine, and other resources for visually impaired individuals. Recordings are sent to those who request them, sharing God's Word in an accessible format.

To volunteer, you'll need a computer with a microphone and a quiet space to record. If you're near Grayson, you can use our dedicated recording rooms at the ICBM office. Readers set their own schedules, recording as much or as little as they can. We provide support for installing and using free recording software. To get involved, contact Thomas Bleemel at 606-474-3411.

Matheteuo Society Relaunch

**MATHETEUO
SOCIETY**

This fall, Kentucky Christian University, Hippo Valley Christian Mission, and ICBM revived the Matheteuo Society to inspire a missions movement among students.

Rooted in Matthew 28:19-20, this initiative equips students to fulfill the Great Commission by spreading Christ's love globally. Join us in praying for these future preachers and missionaries.

Support Our Mission

ICBM provides free services to the blind community thanks to your generous donations. We invite you to partner with us in sharing God's love, Scripture, and the gift of salvation. Our mission is to extend this Good News to all. Please consider sending a donation by mail or the QR code to PayPal to help us spread this invitation to salvation through Jesus Christ. Thank you, and may God bless you.
