

A Season to Give Life

...because every heartbeat matters

As we enter this sacred season of giving, we're reminded of the greatest gift of all — *Life*.

At APC, we witness every day how **one compassionate choice can change everything**. This year:

- a young woman who was considering an abortion received free pregnancy testing, an ultrasound, STI testing and heard the Gospel.
- a mom who was out of formula and diapers for the week came in and left with the baby supplies that she needed for her little one.
- a young couple walked through our doors, having just lost their jobs... but they left with hope, support, and the truth that **their lives — and their baby's life — matter**.

And that only happens because of you.

Thanks to your support this year:

- lives were saved — both physically and spiritually.
- women received life-affirming services.
- expecting parents received education through parenting classes and encouragement through support groups.
- and many hearts were introduced to the love of Christ.

But the need continues — and we can't do it alone.

As this year comes to a close, **would you consider a special year-end gift to help us continue to speak life, share truth, and build healthy families?**

Your gift doesn't just support a ministry.

It gives Life!
