Fall Semester 2025

## Discipling Disciple Makers

Recently, Julie Myers, BG ACT alumni and former intern, was in town. She was meeting with her supporters, as she is now a campus minister in Indiana. At her meeting, this beautiful story unfolded. They realized Michelle mentored Katelyn, who became Don and Michelle's first intern at BG.

Katelyn mentored Julie, who was the second intern, and then Julie mentored Rebecca, and together, Julie and Rebecca helped Amber discover faith in Jesus! Each of these women now serve the Lord faithfully in their churches, workplaces, and other ministries. What a gift to see this beautiful heritage in the Kingdom of God.

## Summer Student Missions

Several of our students did some pretty cool summer mission trips!

- Izzy (BG) went to N Africa to host English Camps in the Sahara Desert through ELIC.
- Jason (BG) went with his church to do home repairs for flood relief in Kentucky.
- Austin (UT) went to Mexico with his home church to help with VBS.

## ACT Summer Study

Our Summer Study wrapped up just before the fall semester began. We worked through 2 books: **Live No Lies** by John Mark Comer and **Every Thought Captive** by Kyle Idleman. Students and staff were challenged to live differently. Putting the principles from both books into practice will change our lives and the lives of those around us.

## FALL SEMESTER KICKOFF

We kicked off the fall semester by Prayer walking both campuses! As we were wrapping up our Summer Study, students asked what we were going to do for the 2 weeks before the semester began. They decided to prayer walk both campuses. We spent several hours praying for students, faculty, and administration to be hungry for Jesus.

At BG, there was a freshman orientation event happening during our prayer walk. **One of our prayer teams ran into President Rogers and his wife and they were encouraged to hear our students were out praying over campus!**

**Dinner and Bible Study has started again.** Each week we provide a free meal for students followed by a Bible study. New students have been coming, and we are excited to see what God is going to do this semester. We are studying the gospel of Mark. **Our focus is on discovering who Jesus is and what our response should be.**

One of our students has really 'gotten it' in regards to looking out for the people around her and talking about faith. **She has invited at least a dozen people so far, and a few have actually come to check out ACT!** She is incredibly excited watching God work in the lives of her classmates and friends!
