**ETERNAL

Myanmar/Thailand*

Dear Pine Lake Christian Church,

In March, a devastating earthquake struck Myanmar, a country that was already ravaged by a military coup. The earthquake severely damaged Daniel and his family's home. As he struggled to provide for his wife and three young daughters, it was difficult to find food and safe drinking water. Even though Daniel was a carpenter, he couldn't afford the materials to repair his family's home. They were stuck in a hopeless situation.

But IDES responded to the area right away. Our partners received immediate resources through the **Global Impact Funds** we had available, and were able to care for Daniel's family, providing ongoing clean water, food baskets, and building materials so Daniel could rebuild their home. This family, who had no safe shelter, is now secure once again, and their children are flourishing.

More than that, they now have Hope. This formerly Buddhist family has been profoundly changed by the compassion they received. They made a commitment to Christ and attend church every Sunday. The physical Help turned into spiritual Hope that can only be found in Christ.

But this would not have been possible without IDES' Global Impact Fund. These funds allow us to respond immediately to disasters instead of having to wait for designated funds to be raised for each new crisis we respond to. Global Impact Funds are the lifeblood of our response efforts.

In the past twelve months, Global Impact Funds have been used to respond to 129 projects in 38 countries, which is almost 75% of our projects that are impacted or initiated by this fund.

Your generous donations enable us to provide immediate assistance, ensuring that those impacted by disasters receive the help they need as quickly as possible. When you help with our Global Impact Fund, you help families like Daniel's have security and life-giving supplies. **When they are in despair and cannot see a future, Global Impact Funds allow the hurting to experience Help and Hope right away.**

The end of the year is rapidly approaching, and IDES urgently needs to raise \$400,000 for our Global Impact Fund. With IDES responding to an unprecedented number of natural disasters and war-torn regions, this fund is essential to ensure that urgent care is provided and the Gospel is shared around the world.

When you give to our Global Impact Fund, **100% of your gift will help save lives and create eternal change in families just like Daniel's.** That's our mission: to meet the physical and spiritual needs of suffering people all around the world in the name of Jesus Christ. We call it Help and Hope. And you can be part of the Global Impact God is creating through IDES.

\$400,000 will give us a strong start to 2026 as we continue to respond to the needs and opportunities that are not slowing down. As I write this letter, Hurricane Melissa has recently caused devastation across Jamaica, Cuba, and Haiti. IDES has already responded to all three countries. Our Global Impact Fund has been utilized to support partners, deliver essential relief supplies, and deploy our disaster assessment team. This team is establishing a base camp to facilitate both volunteer support and the continuing response efforts for those affected by this powerful storm.

IDES' Global Impact Fund continues to make a difference here on earth and for eternity. Will you help us give shelter, food, water, and hope to the hurting?
