Dear Pine Lake Christian Church,

It is truly amazing to witness how God provides exactly what we need, often exceeding what we ask or imagine!

Our work rebuilding homes destroyed by Hurricane Helene in eastern Tennessee will likely continue through this summer. Right now, we are so close to wrapping up another rebuild and handing over the keys to a deserving homeowner. However, the last work team returned with one final hurdle: a broken water meter had hindered their progress, leaving the final plumbing work unfinished.

Just when we felt that need, Paul, our US Disaster Coordinator, returned home to a wonderful surprise. A local church reached out to partner with us, offering to provide all the furnishings for the completed home—a HUGE blessing! In the conversation, Paul also asked if they would be willing to disciple the homeowner in their walk with Christ. They readily agreed, and through their discussion, they shared that a plumber in their congregation could also take care of the remaining plumbing needs!

God has once again provided “immeasurably more than all we ask or imagine,” demonstrating His power at work within us.

Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, forever and ever! Amen. Ephesians 3:20-21

Thank you so much for partnering with us. Your financial gifts allow us to meet people’s most urgent needs and ensure that God continues to impact lives when people are at their lowest. This is **Help turning into Hope**.

In Christ,

# PRAYING

## FOR OUR PARTNERS

In the U.S. and Abroad

Feb. 2026

## NORTH AFRICA

DR

Through a partnership with IDES, a mission in North Africa is providing daily nourishment for 500 children facing food insecurity. IDES helped supply essential food items like rice, beans, and cooking oil. Please pray for those ministering to these children and for the many children who need nourishment.

## WEST VIRGINIA

DR

In June of 2025, devastating floods hit WV and left many people without a home. We partnered with a local church to help those in the community. At the end of 2025, IDES sent resources to help rebuild a house for a homeowner. Pray for the people recovering from their loss.

## POLAND

DR

IDES partnered with a Christian mission in Poland which is offering counseling and practical assistance to Ukrainian Refugees. The project will help provide ongoing care for refugees who have experienced a lot of loss during the war with Russia. Pray for this mission as they minister to those who are hurting.
