Dear Friends at Pine Lake,

As I looked out the window recently at a beautiful, fresh blanket of snow after one of the largest snowfalls in Indianapolis history, I was reminded that no two snowflakes are alike. In the same way, God has uniquely formed every person, each with distinct gifts, callings, cultures, and stories, yet all were made in His image and are deeply loved by Him.

This diversity is reflected in the students God brings to TCM. From rural villages to bustling cities, each student has responded to God's call, often while balancing ministry, family, and work. Some serve quietly in places where the gospel is restricted, faithfully discipling others at great personal cost. Through TCM, these leaders are being equipped for the work God has placed before them.

TCM's Engaging Every Nation initiative exists because every life matters and God's heart is for each person in every nation to know Jesus Christ as their Lord and Savior. Through your prayers, generosity, and partnership, students receive Biblically grounded practical training to make disciples, plant churches, and serve their communities with Christlike love.

As the Apostle Paul reminds us, God equips His people for works of service so the body of Christ may be built up. Our students' lives and ministries have been shaped by that calling and by your faithful partnership. Each student is unique, yet together they form a breathtaking picture of God at work across the world.

As you reflect on how God is at work through these men and women, I invite you to prayerfully consider a special gift to support TCM's Engaging Every Nation initiative. Your generosity helps equip faithful servants to bring the Gospel to places where Christ is not yet known, advancing the Great Commission one life, one community, and one nation at a time. God will continue to use ordinary people in extraordinary ways for His glory among the nations.

What a privilege it is to share in this great work! And what a blessing it is to have you partner with us!

Yours gratefully in Him,

Ken Flora
Vice President of Ministry Services
