Dear Pine Lake Christian,

Thank you for your generous donation. It takes many donors working together to accomplish many things. The boys' dorm project is making incredible progress! It will be a great improvement to have another building available for year round use. And during the summer, the air conditioning will be well received. Thank you to all who participated in this God lead project.

Please pray for us as we prepare for fall programs as well as 2026 summer programs. Pray that those who attend programs here, hear God's truth and grow in faith & commitment to Him.

Fall Programs:

Thank you for your continued support and prayers for EVCSC. Please share with others about Elkhorn Valley so that more lives can experience change.
