Dear Pine Lake Christian Church,

I hope that in this new year you remember the goodness of the Lord. You've probably read many of the verses in the Bible that speak of God's love and faithfulness and how they endure forever (Psalm 136, for instance!). One way that this truth reflects in our lives is when we work together to show and share Christ's message. And **your partnership** with LATM is doing just that through books in the world's languages. **Thank you!**

The year is starting off right at LATM with a number of new projects that have gotten into the pipeline. Several of those projects are with our partner in Kuridstan, where they have a Bible Institute. During a recent conversation with that partner, he said that there would be no way for the training of church leaders to happen **without LATM**. And it is **because of LATM** that they can take the opportunity that the Muslim government there has given them to train Christian leaders and plant churches.

Hopefully you realize that when that partner says "without LATM" or "because of LATM" he's really saying **without YOU**, an LATM financial partner! That's right, without you, God wouldn't be helping this field partner (and dozens of others worldwide) publish books in their languages and use them for training and discipleship. So **Thank You** for your vital role in this quiet, yet undeniably important ministry. Let's keep **bringing the books** in 2025!

God bless you,
