Dear Pine Lake Christian Church,

Because of the Lord, you, and others like you, 85 books were published during 2025. This is 10 more books than in 2024! Also during 2025, our total historical number of copies reached 2,976,000 and we reached 102 languages that we have helped with. All of this is available in dozens of countries that have limited access to God's truths.

These books are being and will be used by the Lord through His servants to:

- Disciple Muslim-background believers and build the Body of Christ in Northeastern Iraq.
- Encourage weary believers in Southeast Asia.
- Equip Christians to make disciples amid regime changes in South America and the Middle East.
- Guide those lost in ancestral worship in Japan to Jesus.

There are many more efforts that could be mentioned, but the essence remains: God is not passive, nor is the work of the gospel of Christ stalled in any way. Through the books made possible by partners like you, people are finding the Living God and being disciplined in Christ in their own languages!

One more thing: In 2026, you can be assured that LATM will remain faithful to Christ, committed to the Word of God, and devoted to providing biblically sound books so that the nations may find, follow, and serve Jesus. We look forward to partnering with you in this mission and witnessing the fruit of our combined faithfulness.

God bless you,

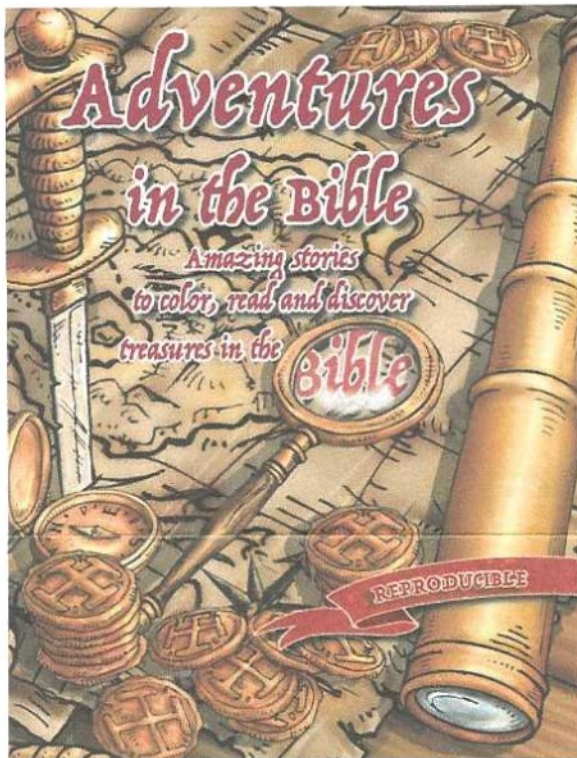

Karl Halverson
Executive Director

Adventures in the Bible in Burmese

One resource that is often lacking in churches around the world is material to help teach children about God's Word. This month's Book Club selection is *Adventures in the Bible*, a comprehensive book containing 140 lessons from both the Old and New Testaments, now translated into Burmese. Each

lesson includes interactive questions based on Scripture, a coloring page, and a "treasure" concept designed to help young readers apply the teachings of the Bible.

This book serves as an easy-to-use and understandable resource for teachers and families, making it suitable for classrooms, family devotions, Sunday school, or any situation where children wish to learn about the Bible.

Your contributions to the Book Club this month will help provide this valuable resource to churches and individuals in Myanmar. Thank you!
