Dear Friends,

January 2026

Please accept our heartfelt gratitude for your kindness and compassion for children in need who are being nurtured at Alpha. Your support makes it possible for them to have a safe, warm home this winter, with loving parents and teachers who tenderly meet their needs and guide them in the way of the Lord. Thank you for making this possible for them!

We are so grateful for veterinarian Dr. Matt Riegel who recently allowed Jayden to go in and observe while he performed surgeries on animals where he practices! Jayden has expressed interest in surgery as a career, so it was such a blessing for him to be able to see firsthand what surgery is like for a day. Thank you, Dr. Matt!!

We were so excited to be able to take the kids on a surprise road trip to Branson the weekend before Christmas to enjoy a couple of days at Silver Dollar City, and to see the "David" play production at The Sight and Sound Theater. The kids had such a great time enjoying these amazing places and making special holiday memories together! This trip was made possible with SDC tickets donated by the First Baptist Church of Burden, Kansas,

"David" ticket funding by the Dewey Christian Church of Dewey, Oklahoma, and other trip funding provided by the Southwest Christian Church of Topeka, Kansas. Thank you so much for helping us make beautiful Christmas memories with the kids, friends!!

By the way, I really appreciate your patience with your donation receipts and letters going out in the mail on our end a bit later than usual this time. The old office printer decided to fizzle out on us about the time that we were going to be working on these, and it took a bit longer than anticipated to get the old printer replaced, and to get the new one up and running.

Thank you again for all YOU do for the kids at Alpha! We are so grateful for you. May God bless you as you have so kindly blessed the children. Happy New Year to you!!

Michelle Kincaid
