

THANK YOU FOR YOUR PRAYERS AND PARTNERSHIP IN THE GOSPEL

Vietnam is home to more than 100 million people. Ho Chi Minh City accounts for 10% of the country's population, yet more than 95% of these people are unaccounted for. **They are living without eternal hope.**

CRAM Worldwide began our first work in Ho Chi Minh City 3 years ago, and since then, God has opened doors for us to make many disciples of Jesus. Last year, CRAM partnered with **Renew University** and supporters to begin preparing young adults who have dedicated their lives to serving Jesus. The fire of their love for Jesus is contagious as they travel to the country's most remote regions and neighboring Cambodia to share Jesus.
