Your Church Partner Update

connecting students to Christ and The Church

Hey Church Partner Family,

Spring is right around the corner. As the weather gets nicer, we are getting closer and closer to **breaking ground on the outdoor skate park**. We are excited to see this space begin to take shape for the students we serve.

We also had a meaningful time at our recent **Come and See event**. It was special to gather with people who care about students and the work happening at First Glance. **We cannot wait to host the next one on April 25 at 9am.**

Church Spotlight: Redemption Chapel

This month I'm shouting out Redemption Chapel! They are sending over another group of students this month to volunteer at FG and help clean up. Super grateful for how hard their students work when they are here, and the way that we've been able to grow that partnership over these last 6 months.

Program Spotlight: Rec Night

Rec night gets the spotlight this month! Over the last handful of months, Rec Night has grown to a minimum of 45 students a night, and God has provided volunteers who love him to fill that space and mentor students! Right now, it's the ministry where we are seeing the most life change at First Glance!

Programming Needs:

- â— Paper products (plates, cups, napkins, cutlery)
- â— Bottled drinks
- â— Small gifts or gift cards for student giveaways
- â— Hygiene products for young men and women

Financial Needs:

- **Monthly giving** creates a strong foundation for everything we do at First Glance. Your recurring support helps us plan ahead, serve with confidence, and continue creating safe spaces where students feel known and valued. **Becoming a monthly donor is a powerful way to partner with us throughout the year.**
- Another need I am finding is **food**: gift cards for our students so they can buy meals and/or groceries really goes a long way.
- **Hiphop phase 2** - building a studio upstairs for our students to record

Prayer Requests:

- New Students at HipHop “ Pray that students coming for the first time would feel welcomed, seen, and open to building relationships with our team.
— For our students: Please pray that as the weather gets warmer they stay out of trouble and off the streets
— New volunteers “ Pray for new/more volunteers as our programs continue to grow
-

We are grateful to be surrounded by a community that truly cares about students. Every prayer, every volunteer hour, and every gift helps create a place where students are known, supported, and reminded that Jesus changes lives.

If it has been a while since you have stopped by, we would love to welcome you back. Join us for our next Come and See on April 25 at 9am to tour the building, meet the team, and hear more about what is happening at First Glance.

If you have been meaning to stop by, this is a simple and meaningful way to reconnect and see what is happening with students at First Glance.

Grateful for ya,
Caleb McKee
