Dear Pine Lake Christian Church,

Thank you for partnering with LATM. Your partnership is what God has used to publish nearly 1700 books in 102 languages and almost 3,000,000 copies (only 18,000 to go until that number is reached!). All glory goes to God but it is great to write to you as His faithful people with us in this work.

Last December I had the opportunity to go to Haiti to train church leaders. It was able to connect with many precious leaders and walk through some of the content of Denver Sizemore's 13 Lessons in Christian Doctrine. We all had a blessed time, in spite of the truly difficult situation in Haiti. From being there, I have learned of a way to get resources into the country to places that aren't as gang ridden as other places. So beginning soon, we'll be sending books in Haitian-Creole, French and English for Haitian church leaders to use for ministry.

This opportunity points to something incredible in the world: Although the system of the world and those who serve that system do everything in their power to kill, steal and destroy, God is sovereign and makes His will be done and His Kingdom come. And there is nothing that can get in the way of or stop that. So let's keep bringing the books, even to the most difficult places.

Thank you,

Karl Halverson

25 Lessons on Christian Doctrine in Farsi

The Book Club selection for March is *25 Lessons in Christian Doctrine* by Denver Sizemore. This edition combines two of his books, which have been translated by LATM partners into more than 20 languages. The book provides a study of the foundational teachings of the Bible and our faith in Christ, helping new believers grow in their Christian understanding and maturity.

LATM partner Julius Metuge writes:

Working in the Muslim world among Muslim Background Believers (MBBs), many new believers have questions about their newfound faith, how to grow to maturity, and how to understand who God is, in contrast to their previous beliefs. Studying these basic Bible teachings in this book will enable believers to strengthen their faith and positively impact the health and growth of the local church and ministry. We pray that God will use this resource to provide understanding to many Farsi speakers.

The church in this part of the world is experiencing unprecedented growth!

Thank you for partnering with these Christians in the Middle East to "bring the books!"
