Dear Pine Lake Christian Church,

With the generous gifts we've received, we have purchased a 2015 van with low mileage that has already been on the road towing dinosaur fossils across the country! As of this update, **we have received \$11,510 of our \$15,000 goal!** We have not yet sold the older van, but are working with a Christian daycare to possibly sell it to them.

Justus preaching in Sedalia, MO

As you can see in the schedule, we still have a busy last quarter of the year as we start to wrap up 2025. Justus recently joined Ryan in preaching on Sunday morning in Sedalia, MO. Additionally, Ryan will finish teaching Genesis 1-11 for Summit Theological Seminary in December and then begin teaching the same class for Midwest Ministry Training (Missouri) in January.

As always, we greatly appreciate your faithful prayers for our family, safe travels, and lives touched through proclamation and defense of the Gospel.
