

COX FAMILY

RYAN, AMANDA, JUSTUS, MORIAH, GALILEE, GIDEON, TITUS, NATHANIEL, EDEN, ABEL

Dear Pine Lake Christian Church,

WHAT A TREMENDOUS 2025 we had! Praise the Lord – we saw a **record number of people immersed into Jesus Christ!** The Lord opened new doors in new states and different venues, providing the opportunity to share the Gospel and the credibility and dependability of His infallible, inspired Word.

We also praise Him for the remarkable faithful support we continue to receive. Over the 8 years we've been with Creation Truth Foundation, we've had 14 congregations come alongside us with regular financial support. We've also had numerous individuals and families regularly support us, though some have gone home to be with the Lord. And despite the ebb and flow of support, the faithfulness of our relentlessly generous supporters has always provided for our family, including the big purchase of a van last year that serves both our family and the ministry. Since we got the van in August, we've already put over 13,500 miles on it. And when the van was out for a month from hitting a deer, our home congregation (Noble Church of Christ) lent us their church van to carry on! **Thank you to everyone for taking such good care of us!**

As you can see, the 2026 schedule is **very full**. Last year, we were able to put in this newsletter January through June's events. This year, we can barely squeeze in January through April! And don't worry, summer is just as jammed packed as always, especially with our American founding programs/VBSes. FYI: Ryan is helping lead a 10-day **America 250 heritage tour** in Philadelphia and Washington DC this October through Oil Belt Christian Service Camp: Flora, IL.

~ The Cox Family

We appreciate you!
