Sebring, OH 44672

Dear Pastor John Tindell:

I hope this message finds you encouraged in your ministry to the next generation. I'm reaching out to invite you and your students to a special prolife youth event featuring Brilyn Hollyhand—an emerging voice who is making a remarkable impact among Gen Z.

At just nineteen, Brilyn has become a nationally recognized advocate for the value of every human life. Through various platforms and speaking tours he challenges Gen Z audiences to see the God-given worth in every person and to live out their faith with conviction.

This upcoming event is designed to equip and encourage your youth with:

- A Christ-centered understanding of the value of human life
- Practical ways to live out pro-life convictions with compassion and courage
- Inspiration from a peer who is boldly using his voice for the Kingdom

Your presence—and the presence of your students—would add so much to this gathering. We believe it will be a meaningful opportunity for them to be strengthened in their faith, challenged in their worldview, and encouraged to stand for life with grace and truth.

Thank you for your faithful leadership. We would be honored to have you join us. Please see enclosed flyer for all the details!
