\$160	#	1/9/26

No goods or services were provided in exchange for this contribution. Mulberry International is a 501 c(3) tax-exempt organization.

January 20, 2026

Dear Friends at Pine Lake Christian Church,

Thank you so much for your gift!

I am blown away by the generosity of our faithful supporters! God continues to prove that He wants our ministry to expand in Ukraine to alleviate suffering and share the Gospel with as many Ukrainians as we can!

At our last board meeting, the board prayed for our year-end campaign to provide opportunities for the distribution of winter aid collected by US churches and sent by IDES (International Disaster and Emergency Services) to our warehouse in Ukraine. We prayed that these money will be used to share goods and Good News with more people, but we didn't know what that amount should be needed. The board prayerfully asked God to provide \$60k. When we were tallying the year-end giving in early January, we were amazed to see that we **already received \$59k!** What an incredible testimony! God not only provides for the needs but He answers specifically! He knows our requests intimately and takes care even of smallest details. Be encouraged that He cares for the details in your life as well.

The month of January brought another incredible news: on January 7th, when Ukrainians celebrate their Christmas, our very first church building, constructed from the ground up, welcomed local residents for the first service! **Over 50 people came to worship the Lord and hear the Gospel!**

This village in the devastated Kherson region has experienced shelling, drone attacks, and flooding from the exploded dam. However, God was never far away. He sent Mulberry's team to these 60 families to share the Hope with them. They responded eagerly with a hunger for God's word. **Almost ALL families in that village started attending the church services held under the open skies.** In the elements, exposed to drone and missile attacks, they stood to worship and hear God's Word. They prayed for a church building to call their home. And God came through! We received a grant from IDES, and through selfless work of many Ukrainian Christians, the church has been built.

God is always faithful. Rest in knowing this. May these testimonies give you peace knowing that He knows and controls every detail, even when we feel that the world is spinning out of control.

"Sing to the Lord a new song, for he has done marvelous things..." (Psalm 98:1a).
