APC NEWS

HOPE FOR TODAY'S CHILD AND TOMORROW'S FAMILY

VOL. 1 MARCH 2026

A new year invites us to look ahead with hope and expectation for what God will do in the lives of families in our community. We anticipate hearts being restored, families strengthened, and lives changed through His love and truth. We trust Him to continue saving lives—both physically and spiritually—as He faithfully works in ways only He can.

OUR VISION

APC envisions a culture where women and men faced with pregnancy decisions are transformed by the Gospel of Jesus Christ, are empowered to choose life for their unborn children, and ultimately live abundant life for their families.

OUR MISSION

- Protect the unborn
- Provide baby supplies, education, and life-affirming programs to families
- Proclaim the Gospel of Jesus Christ

Generous Gift

Brad Siefke with Alliance Council #558 Knights of Columbus presents APC Director, Emily Trevino, with \$8,260 they raised for our ultrasound machine. We are so thankful for partners like the Knights of Columbus who help us make a lasting impact for life in our community.

Shonk Family Lights

We're so grateful to Shonk Family Lights for making this their biggest year yet in support of APC! Their amazing display at 2812 Belleflower Dr., Alliance featured over 15,000 lights and helped raise \$1,500 and numerous items (valued at \$300). We are thankful for their generosity and for the way God uses their lights to bless families in our community.

Thanks to these generous supporters, lives are being touched, families are being strengthened, and hope is being shared. We are truly blessed by the generosity of our community and grateful for the ways God is using these gifts to impact families' lives.

The Suite Next Door

It feels almost surreal to say this... after years of praying, the Lord has made a way for APC to expand into the suite right next to our current office. The Alliance Community Health Foundation approved a grant that allowed us to acquire and renovate the space, and renovations are officially underway. Watching it transform has been so special. This isn't just extra square footage — it's the future home of prenatal care for women in our underserved community. God is so faithful, and we can't wait to see the lives that will be impacted in this new space.

VOICE OF THE VOLUNTEER

*Amanda
Robinson*

Amanda first volunteered at APC through a serve day at her church in July 2025. Amanda now volunteers as one of our Mom mentors at Mom2Mom. She says, "God has given so much to me as a mom and woman! If God can use me at APC to help, serve, talk and come along side another mom, what an honor for me. God gets all the glory." When asked what her favorite part about volunteering at APC was, Amanda shared "Hands down being with all the wonderful moms and mentors and the staff at APC." She said "Love has grown in her heart to listen to others. Truly listen and love people."

Christmas Boutique

What a joy it was to go shopping with clients as they carefully selected Christmas gifts for their children and family members. Not only did they walk away with bags of gifts, but also wrapping paper, boxes & ribbon. For many clients, this opportunity meant they didn't have to stress about Christmas this year. One client said,

"If it wasn't for the APC Christmas Boutique, we wouldn't be able to do Christmas."

Another shopper shared,

"This is life changing for us and the community!"

A special thank you to everyone who made this Christmas Boutique possible! So many donations were given to bless the families in our community - children's toys, baby bouncers, pack-n'-plays, stockings filled with stocking stuffers, teen & adult gifts, household items, shoes, wrapping paper, gift bags for moms & much more. This is only made possible by the generosity of local churches, organizations and individuals.

God bless you!
