## April AT FIRST GLANCE

This past month has been full in ways that remind us why this work matters, and it would not have been possible without youâ€¦!

Thank you for **praying** with us and **giving** so generously this Easter season.

At our Easter celebration at **The Connect**, Coach Kemp shared an encouraging message with the moms that truly met them where they were.

The Harmer family and their Life Group from **Grace Church** prepared dinner and created Easter baskets for the kids. **Prodigal Young Adults** made thoughtful baskets for the moms. **Streetlight Community Church** provided an egg hunt that brought so much excitement to our students and families. We are so thankful for all of our **church partners**!

At **Launch Kenmore**, we also had a fun celebration and egg hunt for our students, creating space for connection and joy together.

Because of you, our families were cared for in tangible ways. They were seen, known, and reminded they are not alone. **Holidays like Easter provide space for conversations about Jesus and intentional, tangible ways we become family.** Thank you for partnering with us in that. We have seen Jesus move, and He continues to every week. Please keep praying for these conversations.

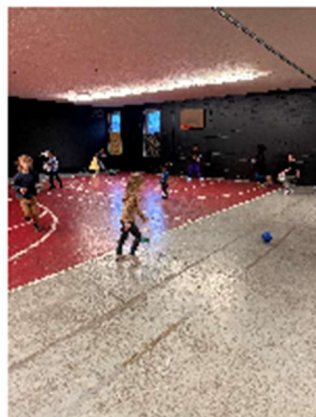

We also just wrapped up **Flex Week**. This is one of our favorite rhythms of the year as we step outside of our normal schedule and spend intentional time with students and families in new ways.

Our Launch students spent time at the trampoline park, and we were able to show up on Kenmore Blvd, handing out donuts and connecting with our community.

These moments matter more than we can measure.

Did you know when you [become a monthly donor](#), you help provide for things like holidays, meals, and experiences like these?

**We truly cannot exist without your support. Thank you!**

If you have been wanting to see more of what is happening here, we would love to invite you in. Our next **Come and See** event is **April 25 at 9 am**. It is a chance to hear stories, walk through the building, and experience firsthand what God is doing at First Glance. You can [RSVP](#) today and join us.

God is moving, and we are so thankful to walk forward together with you!

Gratefully,  
Jessica Swiger  
Executive Director
