

2025 ANNUAL REPORT

A MESSAGE FROM OUR MINISTRY

At Heartbeat of Columbiana County, our mission is to affirm the God-given value of every life and to walk alongside women and families facing unexpected pregnancies with compassion, truth, and practical support. Through Ava Women's Center and the Cornerstone Parenting Center, we provide medical services, education, parenting support, and essential resources to women and families in need.

We could not do this important work without the faithful prayers and generous support of people like you over the past year. Because of your partnership in 2025, women in our community have found stability in moments of uncertainty, received the care they needed, and experienced the hope that is found in Jesus Christ.

Together, we are empowering women to choose life and supporting families through education, meaningful relationships, and the love of Christ. Thank you for making this work possible.
