Dear Pine Lake Christian Church,

Thank you for your continued partnership. Every week I look through donation receipts and thank the Lord for those who join in the ministry of LATM. From small gifts to large, the faithfulness of God shines through. Thank you for being a vital part of that.

This year we've been asking the Lord for new partners—and He is answering. One exciting conversation is with a leader from Estonia who heads a theological school bringing light to a region still steeped in the darkness of atheism and materialism. The Lord is moving hearts through the gospel there, and this school has been praying for new literary resources. Now LATM, this leader, and you are connected. Let's ask the Lord to do more than we can ask or imagine.

While it is God's power to will and to work, most of His work happens through the physical lives of His people—you and me. Thank you for partnering with LATM to see books published in the languages of the world, so the nations can find, follow, and serve Jesus.

Bringing the books,

Karl Halverson
