

40 Parables of Jesus in Hindi

This month, gifts to the Book Club will reprint 40 Parables of Jesus, by Dr. Indu Lall, in Hindi. When requesting help to produce this book, D* at Central India Christian Mission wrote:

This detailed study of 40 parables Jesus gave will be very important for pastors, preachers, Sunday school teachers, and all students of God's Word. It includes clear explanation, exposition, and practical application for daily life. This Hindi resource helps meet the needs of those who lack good study materials. We wish to reprint it, as earlier editions helped thousands of people. It will be a valuable and reliable resource for spiritual growth and ministry.

In a country with nearly 1.4 billion people without Christ, the culture and the Indian government press hard on Christ-followers. We are thankful that Christians, like those at Central India Christian Mission, stand strong in Christ and invite others to consider Him. Resources like this both encourage and exhort Hindi readers.

The printing of 2,000 copies of this book is \$7,650, nearly twice the amount usually given each month to the Book Club. Would you consider an extra gift today to cover this cost? In addition, CICM has requested funds to publish ten different books this year, and perhaps your small group or church could help make these resources possible.

Thank you, as always, for your faithful partnership to bring needed resources to build Christ's Church around the world.
