

GLCC and GO Ministries Create Partnership to Promote Missions

Great Lakes Christian College and [GO Ministries](#) recently signed a Memorandum of Understanding establishing a long-term partnership creating new academic, service, and educational pathways between the United States and the Dominican Republic. The agreement includes a semester-long study abroad option, a new online course paired with a short-term trip, and a pathway for Dominican students to pursue higher education at GLCC.

- GLCC students can study and serve in the Dominican Republic while earning up to 15 credit hours.

- U.S. high school students can take GLCC's "Life on Mission" course and join a short-term trip with GO Ministries.

- Dominican students connected to GO Ministries can pursue a pathway to study in the United States at GLCC.

"This partnership reflects what we believe Christian higher education should look like in this moment," said President Frank Weller. "It places our students in real cross-cultural relationships, brings the wisdom and witness of Dominican believers onto our campus, and removes barriers for talented young people who want to pursue both their education and their calling. We are honored to walk alongside GO Ministries in this work." Furthermore, Weller said, "We want Great Lakes to be the college to go to for missions preparation."

BOOST

a RETREAT for MINISTERS

BOOST, a Retreat for Ministers, is coming up July 6-8. We are excited to host this retreat for servants in the church who give so much, therefore there is no registration fee.

This year's theme is "More Than Attendance: Practical Strategies for a Disciple-Making Church," and we'll welcome Dr. Gary Johnson, Executive Director of [e2](#) to share with us.

For more information and to register, go to the [event page](#) or click the button below.

BETTER PREACHING PODCAST

Announcing the Better Preaching Podcast!

Great Lakes Christian College is passionate about preparing students to fill pulpits, equipping preachers to sharpen their biblical preaching, and anchoring all ministry work in the gospel that never loses its power. Each episode brings seasoned insight on sermon preparation, delivery, and faithfulness that marks the most enduring ministries across generations.

Check it out at www.betterpreaching.org or any of your favorite platforms (Spotify or Apple Podcasts, YouTube, Facebook, Instagram, etc) and join a growing community of pastors committed to preaching with clarity, conviction, and Christ-centered depth.

**I want to be a
Log Cabin Society Member**

The Log Cabin Society is made up of supporters of the College who commit to a 5 year pledge of at least \$1,000 per year (around \$84 per month).

Log Cabin Society members are the foundation for our annual fund and we are so incredibly grateful for their faithful generosity.
