

Harvesting Hope

Please Help Us Continue Feeding Our Community...

Dear Friend,

I'm reaching out on behalf of **Harvesting Hope** to ask for your support to continue our vital food assistance programs. In 2025, thanks to contributions from generous donors like you, we were able to provide **54,954 meals** to seniors, families facing food insecurity, and individuals in need throughout our community.

But **now in 2026**, we **urgently need new donations** to maintain our current level of service. We have not yet received any grants for this year, which means that without your help, our ability to provide food to those in need will be severely impacted.

Your generous donation can help us:

- ♥ Provide emergency meals and monthly community dinners for families in need
- ♥ Deliver nutritious meals to local seniors struggling with hunger
- ♥ Cover essential overhead costs such as utilities, van maintenance, and our facility's rent

Every dollar counts, and your support will make a direct and immediate impact. Please consider donating to help us continue bringing hope and nourishment to our neighbors who are in need.

*With heartfelt thanks
and gratitude,*

Harvesting Hope – 2025 Impact

Changing Lives Through Food & Faith

1,577	Neighbors Served
18,804	Meals Through Blessing Barn
27,852	Senior Meals Delivered
8,298	Free Community Meals
54,954	TOTAL Meals Provided

Because of community support, Harvesting Hope continues to meet the growing needs of seniors and families facing food insecurity. However, **no grant funding has been secured yet for 2026.** Community donations, church partnerships, and local supporters are essential to sustaining this mission. **Your support helps ensure our neighbors continue receiving meals, encouragement, and hope.**
