

Dear Pastor and Church Family,

Grace and peace to you in the name of our Lord Jesus Christ.

On behalf of Harvesting Hope IYC, I am reaching out to invite your congregation to partner with us in a mission that is transforming lives and bringing hope to families facing food insecurity throughout our community.

Through God's provision, generous supporters, and grant funding, we have raised \$40,000 toward the construction of a Drive-Thru Pantry that will allow us to serve more families in a safe, efficient, and dignified manner. We praise God for this tremendous blessing. However, we still need an additional \$50,000 to complete the project.

The Drive-Thru Pantry will enable us to provide food assistance to individuals, seniors, veterans, and families who are struggling to make ends meet. As the need continues to grow, this facility will help us extend Christ's love in a practical way to those who need it most.

We are asking your church to prayerfully consider supporting this project through a special offering, mission donation, fundraiser, or individual gifts from members of your congregation. Every contribution, large or small, will help bring this vision to completion and allow us to continue serving our neighbors with compassion and dignity.

Scripture reminds us in Galatians 6:9-10, "Let us not become weary in doing good... Therefore, as we have opportunity, let us do good to all people." Together, we can answer that call and make a lasting difference in the lives of those experiencing hardship.

If your church would like to partner with Harvesting Hope IYC, donations may be sent to:

We would also be honored to visit your church to share more about our ministry and the impact this Drive-Thru Pantry will have on our community.

Thank you for your prayers, generosity, and commitment to serving others in Christ's name. We are grateful for your consideration and look forward to the possibility of partnering together to feed the hungry and share God's love.

Blessings,

Tonya Dean
