Dear Brothers and Sisters in Christ,

Thank you for your faithful partnership with International Christian Braille Mission (ICBM). Enclosed you will find your donation receipt(s) and the 2025 year-end giving statement. Because of your generosity, we continue placing the life-changing words of Christ into the hands—and at the fingertips—of the blind and visually impaired around the world.

It has been a powerful year so far. Inside this envelope is our latest Dotted Line newsletter, which highlights our recent mission trip to Liberia, Africa in May. We also invite you to visit our Facebook page, where you'll find many photos and daily updates that capture the journey. Traveling with Mike to share God's Word and His love with the Liberian people was a truly life-changing experience. Thank you for making missions like this possible through your prayers and support.

We also had the joy of attending the National Federation of the Blind (NFB) convention, where roughly 3,500 blind individuals gathered. It was a blessing to connect with so many and add new names to our mailing list. In an environment where few exhibitors offer Christian materials in Braille, ICBM stands as a beacon of hope. Conversations with attendees who were deeply grateful for our presence reminded us how vital this ministry is.

This coming month, we look forward to attending the National Church Conference of the Blind. Though smaller (50–100 attendees), this gathering allows us to build deeper, personal relationships and provide our brothers and sisters with Braille resources to study God's Word. The fellowship there is always encouraging as we spur one another on in the faith.

Your prayers and faithful support are the foundation of everything we do. Because of you, God's Word is literally at the fingertips of those who cannot see—proclaiming Jesus' love, grace, and salvation to hearts hungry for hope.

In Christ,

Thomas Bleemel

Dear Brothers and Sisters in Christ,

Thank you for your generous response to last November's Paper Mill Program appeal.

Because of your kindness, we were able to produce and distribute:

- 800 copies of the Braille magazine *We Would See Jesus*
- 240 copies of the daily devotional *Every Day in God's Word*
- Plus, other requested Braille books from our library

Your gifts kept the embosser running and ensured that God's Word reached many who are hungry for it.

We are continually encouraged by the heartfelt feedback we receive. Here are just two recent examples:

"Hello Fellow Workers in God's Kingdom, thank you for your hard work to keep the underserved blind people receiving the gospel. Yours in Christ."

— D&S W.

"Dear Brother Bleemel, the braille materials your organization provided for my sister AA helped her live life more abundantly. She is no longer blind—she has gone to her heavenly home. She was born with congenital cataracts. Thanks to you and your staff for being there for the blind. God bless you!"

— CL

Now it is once again time to refill our paper supplies so we can continue this vital work. Every sheet of Braille paper carries the promise of **Revelation 22:4** into hands that cannot see. Would you prayerfully consider standing with us again through the Paper Mill Program?

We are deeply grateful for your partnership. Every donation truly makes an eternal difference.

In Christ,

Thomas Bleemel
