

Furniture Flip

When your church sends a young person to Great Lakes Christian College, you're trusting us with more than their education — you're trusting us to look after them. Right now, part of that trust is being tested by furniture that's outlived its usefulness: broken drawers, worn mattresses, desks held tenuously together.

It's time for
this to go!

A closing college is handing us the fix: two-year-old dorm furniture for \$350 a set (bedframe, mattress, dresser, and desk). That's a fraction of what new furniture would cost us, and the quality is far better than we currently have.

We need **165 sets** to refurnish all 66 rooms before our students move in this fall. Because that date is quickly approaching, and through advanced gifts to this project, we've already begun purchasing this furniture. **What we're asking now is for friends like you to come alongside and help us complete it.**

\$350 - flip a set

\$700 - flip a double

\$1,050 - flip a triple

Every gift moves us closer to \$57,750 â€” the full cost of new furniture for every student living on campus this year. And because we're buying now, your gift isn't hypothetical: it's furnishing a room that's already getting delivered.

Thank you for the trust you place in us every time you send a student our way,

Jamie Wetzel
Vice President of Institutional Advancement

P.S. We already have several rooms flipped thanks to a handful of early donors. Would you help us finish the rest before move-in day? [Click the link](#) to quickly give!
