

It's National Make-A-Will Month

Join the nationwide movement to support yourself, your loved ones, and the cause you care about.

FREEWILL

As Kentucky Christian University begins a new academic year, many in our community are considering how we can steward the blessings we've been given to support the next generation.

August is National Make-a-Will Month and a timely opportunity to reflect on Psalm 145:

"One generation shall commend your works to another, and shall declare your mighty acts."

Preparing a will is one of the most reliable ways to protect and care for all God has entrusted to us. We want to ensure our entire KCU community has the opportunity to create theirs before the fall semester is in full swing.

To remove barriers like cost or complexity, we're pleased to offer you complimentary access to a secure estate planning tool called FreeWill.

By taking just 20 minutes to [create or update your will](#), you'll be able to provide lasting care for your loved ones, protect dependent children by naming a trusted guardian, and build a legacy for causes or ministries close to your heart.

We hope this tool brings your family comfort and security as you prayerfully plan ahead.
