Dear Pine Lake Christian Church,

The Lord is always faithful, even in the midst of life's failings and pitfalls. Psalm 55:4 tells us that "Surely God is my help; the Lord is the one who sustains me." This reality encompasses all of His people, worldwide, all the time. And it is this message that goes out through the books that you and LATM join together with our partners around the world to communicate and promote. Thank you for being a part of a unique and vital ministry.

In Uganda, Kenya, and Tanzania, a resource in the Luganda language is being published that has been shown to be successful in other languages. It will be used by preachers and church members to evangelize their non-believing neighbors. In the Burmese language, a partner has been working on the reprint of a resource that helps Buddhists discern inconsistencies in their current form of worship and has been helpful in leading hundreds of Buddhists to Christ.

In 2026, there are 140 projects, in 33 languages, by 37 distinct partners in the pipeline. As of August 1, 53 of those projects have been completed. Like I said at the beginning, the Lord is faithful! Let's keep working together no matter our struggles, trusting God to be our help and the one who sustains us, so that together we may facilitate as many books as possible in as many languages as possible.

Always trying to bring the books,

Karl Halverson

Rooting for Rivals in Marathi

Our Book Club selection this month is Rooting for Rivals, translated into Marathi, a language of India. John D., an Indian church leader, wrote this when requesting partnership with LATM:

We serve among semi-underground churches and organizations in India. Though we are all Christians, many still do not know how to collaborate and work together. This book will help Indian leaders to serve the Lord better together. This provides tools and case studies with biblical foundations.

With only two percent of India's people knowing Christ, it is important for Christians to serve the Lord together.

You may have noticed that this is the third month in a row with a Book Club selection from India (August was Khasi and July was Hindi). With 210 languages spoken in India, among its nearly one and a half billion people, the task of getting the Gospel to such a diverse group is massive (see JoshuaProject.net).

Thank you for your gifts this summer, which have strengthened the work of the church in India through Christian books.
