

ICOM is for the entire family!

We want to foster a love for missions in kids of all ages. ICOM Kids provides a fun and safe place to learn about Christ and the work of missionaries all over the world, in an age-appropriate setting.

ICOM Kids is a mini conference for ages birth to 5th grade, which is included in your registration fee!

[Seven ICOM Kids sessions](#) are provided during the Main Sessions and afternoon workshops. Your kids will enjoy hearing from missionaries, engaging worship, rotating activity stations, and more!

While you're learning, worshipping, and connecting at ICOM, your kids will have an opportunity to do the same in a way that is designed just for them. Through each session and activity, they'll be encouraged to see how God is working around the world and how they can be part of His mission, too.

Bring the whole family to ICOM 2026 and give your kids an experience that can help shape their hearts for missions for years to come.

Register your family today and make plans to experience ICOM together!
