HOPE FOR TODAY'S CHILD AND TOMORROW'S FAMILY

VOL. 3 AUGUST 2026

A Beautiful New Boutique for Our Families

Thanks to the generous support of the Greater Alliance Foundation and the John & Madge Peters Charitable Fund, our client boutique has a beautiful new home!

Our former exam and consultation rooms were transformed into one larger, welcoming boutique where families can "shop" for essentials using the Mommy Money and Daddy Dollars they earn through our educational programs. The expanded space allows us to better serve families while creating a more enjoyable shopping experience.

We celebrated with a Client Open House where families toured the new boutique, enjoyed refreshments, and received \$5 in Mommy Money or Daddy Dollars to spend. Their excitement made it clear what a blessing this new space will be.

We are incredibly grateful to the Greater Alliance Foundation and John & Madge Peters Charitable Fund for making this project possible.

Thank You for Celebrating with Us!

Thank you to everyone who joined us for our August 13 Open House! It was a wonderful evening celebrating our newly renovated medical suite and client boutique. We are grateful for your support and excited to use these beautiful new spaces to better serve families in our community.

OVER \$25,000.00 RAISED!

Baby Bottle Fundraiser

This spring, churches and groups across our community came together, filled baby bottles with loose change, and helped raise more than \$25,000 for Alliance Pregnancy Center.

That's a lot of change—and an even bigger impact.

What could \$25,000 provide?

- 20 women with comprehensive care — including pregnancy testing, ultrasound, STI testing and treatment, compassionate support, community resources, and an opportunity to hear the Gospel.
- or 144 brand-new car seats for new parents preparing to safely bring their babies home.
- or a year of programming through Mom2Mom, Dad2Dad, Couples Night, and Baby Boot Camp.

What started as a bottle of small change became something so much bigger.

Small change. Big impact. Eternal difference.

WALK4LIFE WEEKEND (Footsteps4Life Has A New Look)

We're excited to invite you to participate in our 2026 Walk4Life Weekend!

If you've joined us for Footsteps4Life in years past, you'll notice something new this year. We've reimagined the event as a completely virtual weekend, giving you the flexibility to participate wherever works best for you.

While the format has changed, our mission hasn't. This new format allows even more people to participate, invite others, and make an impact for life. Walk with your family, friends, Life Group, coworkers, neighbors, your dog—or even on your own! You can also create a friendly competition between Life Groups, youth groups, businesses, or families to see who can raise the most support for life.

And of course, we'll continue our tradition of recognizing our top fundraisers! The top three individual fundraisers and the top fundraising team will receive prizes. So rally your team, invite your people, and see how much you can raise for life!

Make it an event! Meet for coffee beforehand, enjoy a picnic afterward, or spend time praying together for APC and the women, men, and families we serve.

However you participate, every step helps support the life-affirming work of APC and the families we serve. Thanks for Walking for Life!

Antonia, Becky & Charity

Each month during Mom2Mom, Becky Yoder and her daughters, Antonia and Charity, lead Kids Club for children ages 6–12. After families enjoy a meal together, the children head to Kids Club where they hear Bible stories, make crafts, play games, and build meaningful relationships in a fun, loving environment. For many of these children, it's one of the few opportunities they have to learn about Jesus.

When asked what she loves most about volunteering, Becky shared, "I love the way we can reach out to help both of the child's parents, and with Kids Club, we can even have a spiritual impact on the kids. The kids can be rowdy some evenings, but when you get a hug from one of them, a thank you, or they see you out in public and are genuinely happy to see you, it makes my day. I also love the fact that some of my kids are volunteering too. It is a privilege working together with Charity and Antonia to work with these kids."

Reflecting on how God has worked in her heart, Becky said, "God has shown me that when I think I don't have anything left to give, He is there with strength to go on. Whether it is a hug from one of the kids or an encouraging word from one of the other volunteers, He always provides. It has been a pleasure working with each of the ladies involved in Mom2Mom." We are so thankful for volunteers like Becky, Antonia, and Charity, whose faithful service is helping children experience the love of Christ while their moms are encouraged and supported.

APC STAFF TO SPEAK AT NATIONAL CARE NET CONFERENCE

We are excited to share that our very own Sara Linder, Client Educator, and Eric Crawford, Dad Coach, have been selected as breakout session speakers at the 2026 Care Net National Conference this August!

The Care Net National Conference brings together pregnancy center leaders and staff from across the country for several days of

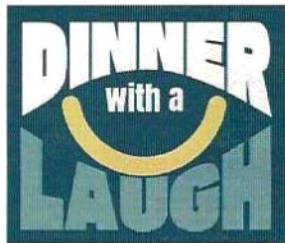

encouragement, training, and collaboration. Each year, our staff returns inspired and equipped with practical tools, fresh ideas, and valuable resources that strengthen the care we provide to women, men, and families in our community.

Sara and Eric's breakout session, "Sticky Not Stuck: How to Keep Clients Coming Back to Your Support and Educational Programs," will encourage pregnancy center teams to adopt a people-first approach that focuses on serving the whole person and family—not just program outcomes. They will share practical strategies for building welcoming communities and creating sustainable support and educational programs that keep clients engaged and growing for years to come.

We are incredibly proud of Sara and Eric for representing Alliance Pregnancy Center on the national stage and sharing the ministry God is doing here with pregnancy centers across the country.
